# Testimonial

## JOH AND BRAD

Where do we begin? Thank you from the bottom of our hearts, for making our dream wedding come true. The time and tremendous effort you put in to make our dream become a reality is greatly appreciated. It has been an absolute pleasure and delight to work with you & Jessica leading up to our wedding day as you all have made our experience so smooth and memorable.

Thank you to your wonderful staff for their professionalism, efficiency, courtesy & willingness to ensure we, and our guests, were always relaxed & enjoying ourselves, as well as assisting wherever necessary. The quality, size & presentation of the meals were fantastic, leaving no one hungry. The feedback we have received from our guests has all been exceptional, including your incredible river front location. Our glasses were never empty, our bellies were full and we were always greeted with a warm smile.

We highly recommend Spoons Riverside to others who are looking for a venue for their next function. Thank you again, our wedding would not have been this special without the support of you & your dedicated team at Spoons Riverside.

## MARNEY AND CHRIS

'From the moment we got engaged we knew we wanted to have our wedding at Spoon's. It was the first thing we booked and we couldn't have been happier. The team at Spoon's led by the wonderful Jordan did an amazing job organising and making sure our wedding day went off without a hitch. On our wedding day my husband and I were able to enjoy ourselves knowing that everything else was being taken care of. They were always open to my numerous questions and often random requests and nothing was too hard. Our wedding guests travelled from all over Australia and it was an honour to show off this Swan Hill icon. Guests are still talking about our wedding at Spoon's, especially the food!'

## MADOLON & KYE PARSONS

It was seriously the best night of our lives!

We had our wedding reception at Spoons Riverside, the location alone is stunning and sets the atmosphere.

The staff are very friendly and make you feel welcome, they will go out of their way for your special day.

Having our reception at Spoons was a stress free experience. The food and service was amazing and none of our guests had an empty glass all night. Still to this day we have guests comment on how great the food was, especially for the size of our wedding.

We cannot thank Jordan and his staff enough for making our special night simply perfect.

We would highly recommend Spoons for your wedding venue.
